MODULE 1: Business Resources – Contracts & Service Level Agreements

Your ACTION Steps:

- Use the sample Service Level Agreement provided to create a template for your company
- Change the name and address to your own
- Use this with every provider
 - If they won't sign it, use someone else
 - Always use contracts and service level agreements to protect you and your business

Questions? Send them to support@enlighteninglife.com or ask them on an upcoming Q&A call.

I am here to support you and your business success!
